

Report of Intellectual Property Rights Workshop held on 21st August 2017

The college has organised a workshop on ‘**Intellectual Property Rights**’ on 21/08/2017 to create awareness about the changing scenario among staff & students. The workshop has another aim to acquaint the citizen of future with the concept of IPR.

The workshop started with saraswati pooja and felicitation of chief guest by **Principal, Smt. Dr. S. S. Ghumare. Dr. Y. R. Baste**, NAAC Co-ordinator of the college provided a brief introduction about the current scenario and need of Patent. He welcome the chief guest, he also spoke about the need to update ours selves about the recent trends in digital era. He further added that, digitalization can create revolution in India only if students participate actively in all the activities. Smt. Susan Laurencia introduced the chef quest, **Mr. Rohan Pawar**, Director of RAP Analytical research & Training centre, in his key note address highlighted the significance of IPR in commercial world. Later Smt. Dr. S. S. Ghumare, respected principal of the college Opined in her speech that young mind should not glean knowledge just from books instead they must keep abreast with the time. She simplified the concept of IPR and patent from every day life. It was followed by Mr. Rohan Pawar in presentation. His exhaustive presentation provide insight to the changing perspectives and covered a broad spectrum of concepts like patent Quality rights , copy rights consumerism etc. After the session he interacted with staff and students and clarified their queries. Dr. Y. R. Baste proposed vote of thanks.

The programme provide platform for the staff & students to learn about new concepts and to interact young inspiring mind. Similarly it has also provided basic information about patents and its necessity in business, agriculture, communication, science and technology.
