Procedures for Taking Feedback

The college regularly collects feedback from its stakeholder viz. students, teachers, alumni, parents and management. Feedback is collected through sample feedback forms. Feedback is considered necessary for the improvement and sustenance of quality of curriculum, infrastructure and allied services.

Student Feedback: Every year at the end of the second term or semester, feedback from students regarding the curriculum and teaching-learning-evaluation process is collected.

Alumni Feedback: At the Alumni Meet, feedback forms are circulated and collected.

Teacher Feedback: Teachers' feedback is taken about the course. Students' feedback about the teacher is also sought.

Parents Feedback: Parents feedback is collected at the parents meet. It is also circulated among students to bring the feedback from their parents as a regular activity.

Management Feedback: Feedback from the Management representatives is collected during the LMC meetings.

Analysis of Feedback

The collected feedback is analyzed by the members of IQAC. Important suggestions and recommendations are noted down. The grades and marks given in the feedback forms are recorded. The analysis of the feedback is presented before the IQAC committee for initiating appropriate action. The IQAC members approved the feedback analysis and initiate the process to convey the analysis to the concerned authorities and persons. The analysis is shared with the respective heads of the departments. If there are any complaints regarding the teaching, support services and infrastructure, it is conveyed to the concerned department. Curriculum related suggestions are conveyed to the respective Boards of Studies, Savitribai Phule Pune University, Pune.

Action Taken Report on Feedback

2012-13

Students feedback was positive about the teaching-learning-evaluation process and curriculum. Still wherever there was scope for improvement, the IQAC had taken steps. Teachers were informed about the student feedback. Students suggestions regarding the curriculum were conveyed to the BOS and discussed in the seminars/workshops on syllabus or curriculum designing.

Alumni feedback was very positive as they appreciated the efforts taken by the college for the welfare of students. Action was taken on their suggestions. As per their suggestions, separate departments were allotted to the Arts faculty. LAN facility was provided to all departments. More books and magazines were purchased for students.

Teacher feedback was sought about the course. Their suggestions were conveyed to the respective BOS in the workshops/seminars on syllabus or curriculum designing. Students' feedback about teachers was shared with the teachers and the concerned Heads of departments.

Parents showed satisfaction over the functioning of the college through their feedback. Their suggestions regarding the infrastructure were taken care of. Separate sitting arrangement was done for girl students on the campus. A proposal to start a separate toilet block for girl students was sent to BCUD, Savitribai Phule Pune University, Pune.

The management representatives suggested some changes in the admission process. Hence, the college initiated the online admission process for some courses. In the next year, it would be started for admission to first year graduation in all streams.

Action Taken Report on Feedback

2013-14

Students' feedback was positive about the teaching-learning-evaluation process and curriculum. The University had changed the syllabus of first year graduation and post graduation. Hence, feedback was sought on the revised syllabus. Students' responses and suggestions were conveyed to the BOS.

Alumni feedback was taken in the Alumni Meet. Alumni univocally suggested that sports facility especially water sports facility must be strengthened. Ex MLA Dilipnana Bankar offered financial assistance to buy boats for canoeing. Two boats were purchased with the financial assistance. Physical Director Shri. Hemant Patil started guiding students in swimming and canoeing.

Parents expressed their satisfaction over the functioning of the college through their feedback. As per their suggestion, the construction of separate toilet block for girl students was initiated. The compound wall was repaired. A proposal for new girl hostel was sent for permission to the parent institution.

As per the suggestions of the Management representatives, a proposal for the construction of separate laboratory building was submitted under RUSA Grants. Merit based admission process was initiated for first year graduation in all streams and PG courses in Science faculty.

Action Taken Report on Feedback

2016-17

Students' feedback was positive about the teaching learning and curriculum delivery. However, there were some suggestions for improvement. The suggestions regarding the teachers were communicated to the concerned teachers. Their demand for access to magazines and journals was accepted and the librarian was instructed to allow access to all kinds of magazines and journals to students.

Alumni feedback was very positive. Their suggestion for organizing regular department-wise meetings of alumni was accepted and all heads of departments were instructed to conduct such meetings.

Parents' feedback was satisfactory. They expressed satisfaction over the steps taken by the college for the safety of girl students. They were happy with the overall facilities provided by the college.

As per the feedback of the management representative, admission process was made more transparent. A special discipline committee was formed.
