Students' satisfaction survey report

Academic year 2020-21 is year of pandemic. During academic year 2020-21 students' satisfaction survey was carried out in the institution through online mode. A google form is created and shared with the students through google classroom and other social network such as WhatsApp. Questions were designed in English and regional language "Marathi". For every multiple-choice question four options were provided. Students were asked to submit responses within stipulated period of time. Overwhelming response was recorded. More than eighteen hundred students participated in the survey.

Detailed analysis is done to quantify the responses. Every response is multiplied with the weight of the response. A grade point for every question is calculated. Overall analysis and grade point is as shown below.
