Soft Skills Development Programme

Soft skill development programme was organized in online mode for the final year of U.G students in our college. The initiative of our English department intended to enhance the competitive skills of the final year students. Honourable Dr. Dilip Shinde, the principal of our college inaugurated the program on Jan 15th 2022. It was followed by the session on various topics namely; Goal Setting, Time Management, Digital Humanities, Motivation, Communicative Skills and Personality grooming session etc. The Final session was in preparation of the interview, and it was followed by a mock interview conducted by the English department. The students of T.Y.B.A., B.Sc., B.Com. and BCS attended the sessions. Resource persons demonstrated various topics related to professional skills, While the English Department also inculcated life skills in students during their sessions. The sessions are quite useful as each student was given individual feedback by the team. Although it had been organized in online mode, it was quite effective in mentoring students as the tech savvy resource persons of the sessions were experts in their forte.
