Establishment of Innovation and Incubation Cell

MVP Samaj's K.K. Wagh Arts, Science and Commerce College, Pimpalgaon (B) , Taluka- Niphad, District-Nashik started the "Innovation, Incubation & Start-up Cell" for nurturing and overseeing innovation and entrepreneurship. The aim is to encourage entrepreneurship among locals with the colleges serving as focal points. It is a platform for nurturing, encouraging and developing innovation and entrepreneurial skills among its students, research scholars and alumni, as well as students of the region. Entrepreneurship in India is on the verge of explosive growth. Angel investors, venture capital, media, start-up clubs, service providers, mentors and training companies are going to grow. And one important cog in the wheel is the incubator – the place where start-ups are born.

OBJECTIVES

- To create jobs, wealth and business aligning with national priorities.
- To promote new technology/knowledge/innovation based start-ups.
- To provide a platform for speedy commercialization of technologies developed by the host institution or by any academic/technical/R&D institution.
- To build a vibrant start-up ecosystem, by establishing a network between academia, financial institution, industries and other institutions.
- To provide cost effective, value added services to start-ups like mentoring, legal, technical, intellectual property related services.

SAILENT FEATURES

- To encourage Entrepreneurship, innovation and incubation of ideas.
- To support the incubation of around 2 projects each year.
- Each project will be executed by a team of entrepreneurs (students/alumni/ Industry)
- Each project will be given infrastructural support such as workspace, internet etc.
- The program will cater to the projects that solve problems and find solution to local needs (district and state) rather than global problems and needs.

- The problem can be from any discipline but one should provide solution to the selected problem.
- To facilitate the students to get internships through the agro based companies which are under Innovation Incubation & Start-up cell.
